WHO WE ARE

The American Hunting Lease Association is proud to serve as the trade association for the growing hunting lease industry.

With your membership (included with insurance purchase), you are supporting our efforts to educate and influence landowners and hunters about the many benefits of a hunting lease. The result is more private land for hunters and a better hunting experience for everyone.

The AHLA believes the hunting lease concept is the answer to growing the sport of hunting by building relationships between hunters and landowners which leads to improved stewardship and habitat preservation.

HUNTING LEASE LIABILITY INSURANCE

AHUNTINGLEASE.ORG

DO I REALLY NEED HUNTING LEASE INSURANCE?

YES YOU DO! Whether you are a landowner or a hunter, liability insurance coverage is an absolute necessity. All parties assume some risk while hunting on someone's property. It is simply not worth risking your family's financial security due to an unfortunate accident.
