

Thank you for trusting the AHLA with your vacant land coverage. If you have any questions while completing your application, please feel free to call us at 866-782-6330. We are open M-F 8:00 - 5:00 pm EST.

Our Vacant Land / Timberland Liability program is designed to protect owners of rural vacant land. To qualify for coverage, your land must be vacant, uninhabited, and not used for any ongoing commercial or business purposes (*other than the management of standing timber*). If you need liability coverage for urban lots, improved land, or future homesites in residential areas, our program is not the appropriate coverage for you.

Preliminary Questions

Liability coverage for the property owner does not provide protection for owned timber, physical damage to or liability in connection with buildings, structures, towers, housing accommodations, commercial or business operations of any kind.

Yes No

- Any of this property leased for hunting? *(private or commercial)*
We recommend requiring the hunt club to secure their own insurance (also available through the AHLA) and provide you with a certificate naming you as an additional insured on their policy.
- Any of this property leased or rented? *(i.e. farming)*
- Any of this property leased or rented for events such as weddings, reunions tournaments etc?
- Any commercial or business operations of any kind conducted on premises?

Yes No

Is there a swimming pool on the premises?

Are there any lakes, ponds or bodies of water located on the property?

If you answer yes, please fill out the additional question below:

Are there "No Swimming" signs posted? If no, rivers, lakes, ponds, etc can be inviting to guests and/or children. Please consider posting "NO Swimming" signs to ensure the highest level of safety for your guests and/or hunters.

Any dams, spillways or bridges on this property?

If you answer yes, please fill out the additional questions below:

Are any 25 feet in height or taller from top to bottom?

Do any hold back 50 acre-feet or more of water at maximum storage?

Are single cable(s) used to restrict access?

(Single cables used as a gate or to restrict access can be dangerous. Please consider placing pvc sleeve on them to prevent injury, but still provide security.)

Any buildings, structures, towers or housing accommodations on this property?

Physical damage to, and liability in connection with buildings, structures, cell towers or housing accommodations is excluded.

Have you ever had a covered loss on this property in the last 5 years?

If you answer yes, please explain why.

I agree I understand coverage for prescribed burns and/or controlled burns is excluded, and any claims arising from prescribed/controlled burning will be denied
