# Vacant Land Insurance

Thank you for trusting the AHLA with your vacant land coverage. If you have any questions while completing your application, please feel free to call us at 866-782-6330. We are open M-F 8:00 - 5:00 pm EST.

**Our Vacant Land / Timberland Liability program** is designed to protect owners of rural vacant land. To qualify for coverage, your land must be vacant, uninhabited, and not used for any ongoing commercial, habitational, or business purpose (other than the management of standing timber). If you need liability coverage for any operation, including, but not limited to land development, urban lots, improved land, or future home sites in residential areas, you are not eligible for our program.

I agree that the property being insured fits the above criteria. I also acknowledge that if the property being insured does not meet the above criteria, any claims related to this property will be denied.
